General Terms

By downloading or using the app, these terms will automatically apply to you – you should make sure therefore that you read them carefully before using the app. You're not allowed to copy, or modify the app, any part of the app, or our trademarks in any way. You're not allowed to attempt to extract the source code of the app, and you also shouldn't try to translate the app into other languages, or make derivative versions. The app itself, and all the trade marks, copyright, database rights and other intellectual property rights related to it, still belong to Wallet Anatomy.

Under no circumstances shall team be liable for any direct, indirect, special, incidental or consequential damages, including, but not limited to, loss of data or profit, arising out of the use, or the inability to use, the materials on this site, even if team or an authorized representative has been advised of the possibility of such damages. If your use of materials from this site results in the need for servicing, repair or correction of equipment or data, you assume any costs thereof.

Wallet Anatomy will not be responsible for any outcome that may occur during the course of usage of our resources. We reserve the rights to change prices and revise the resources usage policy at any moment. At some point, we may wish to update the app. The app is currently available on Android & iOS – the requirements for both systems (and for any additional systems we decide to extend the availability of the app to) may change, and you'll need to download the updates if you want to keep using the app. Service does not promise that it will always update the app so that it is relevant to you and/or works with the Android & iOS version that you have installed on your device. However, you promise to always accept updates to the application when offered to you, We may also wish to stop providing the app, and may terminate use of it at any time without giving notice of termination to you.

Wallet Anatomy is committed to ensuring that the app is as useful and efficient as possible. For that reason, we reserve the right to make changes to the app or to charge for its services, at any time and for any reason. We will never charge you for the app or its services without making it very clear to you exactly what you're paying for.

The Wallet Anatomy app stores and processes personal data that you have provided to us, in order to provide our Service. It's your responsibility to keep your phone and access to the app secure. We therefore recommend that you do not jailbreak or root your phone, which is the process of removing software restrictions and limitations imposed by the official operating system of your device. It could make your phone vulnerable to malware/viruses/malicious programs, compromise your phone's security features and it could mean that the Wallet Anatomy app won't work properly or at all.

You should be aware that there are certain things that Wallet Anatomy will not take responsibility for. Certain functions of the app will require the app to have an active internet connection. The connection can be Wi-Fi, or provided by your mobile network provider, but Wallet Anatomy cannot take responsibility for the app not working at full functionality if you don't have access to Wi-Fi, and you don't have any of your data allowance left.

If you're using the app outside of an area with Wi-Fi, you should remember that your terms of the agreement with your mobile network provider will still apply. As a result, you may be charged by your mobile provider for the cost of data for the duration of the connection while accessing the app, or other third party charges. In using the app, you're accepting responsibility for any such charges, including roaming data charges if you use the app outside of your home territory (i.e. region or country) without turning off data roaming. If you are not the bill payer for the device on which you're using the app, please be aware that we assume that you have received permission from the bill payer for using the app.

The app does use third party services that declare their own Terms and Conditions.

No failure to exercise, and no delay in exercising, on the part of either party, any right or any power under this Agreement shall operate as a waiver of that right or power. Nor shall any single or partial exercise of any right or power under this Agreement preclude further exercise of that or any other right granted herein.
